## ABOUT ME

---

- Great project management skills and also work well either alone or with a group.
- Good self-learning skill and always thirst for new knowledge.
- 4 years serving in military makes me become disciplined and patient.

## OBJECTIVE

---

I am an ambitious problem solver with a passion for web development, and who would like to join a team of like-minded developers.

Looking to obtain an internship position to study more and gain experience in Back-end development.
